

## **Construction and Property Services Industry Skills Council (CPSISC)**

Continuous Improvement Plan for the Construction, Plumbing and Services and Property Services Training Packages

The Continuous Improvement Plan 2011-2012 for the Construction, Plumbing and Services and the Property Services Training Packages has been informed by intelligence gathered by CPSISC over the previous 12 months from a variety of sources. These include the on-line Continuous Improvement Register, Environmental Scan research, on-line surveys, industry meetings, interviews and workshops.

The projects shown on this website are currently underway. Additional projects will be included for 2011 – 2012 as they emerge.

Current as at 30 September 2011
